Valerie,
A number of us here at DEQ are very interested in attending. However, Wed 10/18 doesn't work for us. How about Thurs?

Subject: LWG-EPA-DEQ meeting on Stormwater

Chip, Eric, Jim -

The LWG would like to arrange a meeting with you all and other key people from EPA and DEQ for a discussion on stormwater. I would like to propose that this meeting take place the afternoon of October 18.

Please let me know if you and other key folks would be able to meet with LWG on this date, or perhaps suggest another day during the week of October 16.

thanks

Valerie
